### ABOUT ME

I am Varshith Julakanti, a passionate and dedicated Computer Science student at VIT-AP, aspiring to become a skilled Software Engineer. With a strong foundation in programming, problem-solving, and web development, I enjoy building innovative solutions that enhance user experiences. I am proficient in Java, Python, C++, and JavaScript, with hands-on experience in web development, databases, and cloud technologies.

I actively participate in coding competitions, hackathons, and open-source contributions to continuously improve my skills. I am eager to learn new technologies and collaborate on exciting projects that challenge my abilities and expand my knowledge.

### Education

#### VIT-AP

Bachelor of Technology (B.Tech) in Computer Science | 2027

Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, Web Development, Database Management, Software Engineer

### Soft Skills

- Strong problem-solving and analytical skills
- Excellent teamwork and collaboration abilities
- Effective communication and time management
- Eager to learn and adapt to new technologies
